

SHOTS! BEER ON WHEELS

- **Maximum Limit Per Ride:** Passengers may order up to 5 shots per person per ride. This limit is in place to promote safe and responsible drinking. Beer on Wheels staff may refuse further service if a passenger shows signs of excessive intoxication—even if under the 5-shot limit.
- **Shot Availability:** The shots menu is available in limited quantities due to storage constraints on the bus. Beer on Wheels does not guarantee the availability of all shot flavors or brands at all times.
- **Intoxication Disclaimer:** By purchasing a shot, passengers acknowledge the additional strength and effects of distilled spirits. Excessive or irresponsible consumption may result in removal from the bus with no refund.
- **Refunds for Shots:** Shot purchases are non-refundable once served. If a ride is interrupted due to technical reasons and qualifies for a general refund, the shots can't be refunded and for the general package refund, follows the Refund Policy.
